

Let the Travel Clinics help you with your travel immunization needs

SAMHD Foreign Travel clinic nurses can provide you with:

- Counseling pertaining to your immunization status and health
- Issuing International Health Certificates for Yellow Fever and updating immunization records
- Issuing anti-malarial prescriptions
- Travel Immunizations

International travelers should be advised to contact the SAMHD Foreign Travel Clinics at least six weeks prior to departure.

Travelers should obtain the following information before contacting the clinic to ensure an accurate assessment of individual health needs:

- A trip itinerary which includes all countries to be visited and duration of stay
- A listing of special activities planned, e.g. activities of usual tourist routes
- Information regarding planned accommodations and transportation
